Praise and Thanksgiving and Recent Events

- Duke **Chinese Christian Fellowship of Durham, CCMC (Chinese Christian Mission Church)** hosted their annual Fall Retreat at Lake Gaston on 10/10-12. The retreat emphasized fellowship among brothers and sisters and let everyone have a chance to lay down their worldly burdens and enjoy the love of our Heavenly Father. They prepared , cooked meals together, and spent time sharing with one another about “God’s greatest work in my life.”
- **UNC Fellowship** organized and spent a joyful Fall Retreat at Lake Gaston on 10/18-19. This was their third visit to Lake Gaston. The last two times were in the Spring season, but this time during the Fall season they enjoyed different scenery around the Lake. More than 30 people – brothers/sisters with family members, including non-Christian friends, stayed together for 2 days in friendship building and sharing God’s love together. Pastor Peng shared the Word of God and also baptized a visiting scholar from China in the Lake. This was the first time someone was baptized at the Lake. Everyone came together making dumplings for meals, playing games, and riding boats on the Lake. This Retreat helped to train the Fellowship’s new coworkers in team-building and service.
- A group of 13 brothers/sisters from **NJ’s International Canann Bible Seminary** came to CLRC’s Lake Gaston for a Short-Term Missions Trip & Training from 10/22-25. Pastor Hung, the Director of Vancouver Short Term Missions Organization, taught seminars on evangelism. Besides seminar trainings, they spent time visiting Chinese restaurants in Richmond, Greensboro, Rocky Mount and Raleigh, reaching out to the workers with the love and gospel of Christ.
- CLRC hosted a coworkers’ “Thanksgiving Dinner” at Albert’s residence on November 8, 2014 to show appreciation for the involvement, work, and help of coworkers in the past and present ministries. About 18 brothers/sisters (including spouses) joined the dinner banquet. Before the dinner, we followed the “Guideline for Coworkers’ Disciplined Fellowship,” and spent about an hour to share with one another about personal ministries, focuses, or passions so everyone got to know each other better.
- The annual CLRC Board of Directors meeting was held on December 13, 2014. The agenda included a review of current status, future plans, CLRC needs and prayer requests.
- The “*Guidelines for Disciplined Fellowship*” and the “*Guidelines for Personal Retreat*” are now available upon request. This can be used to help guide group fellowship retreat and personal retreat at CLRC in order to achieve better understanding, to build up unity among coworkers, and personal refreshment.
