- The 2nd CLRC Board of Advisors meeting this year was held on August 11, 2012. The agenda included a review of current ministry status, report/analysis of April 2012 leadership seminar survey results, report and discussion on CLRC 2013-14 leadership seminar topics and future speakers, and praying. The meeting minutes are available upon request.

The conference was sponsored by the Southern Evangelical Seminary in association with Ravi Zacharias International Ministries. He also attended a reception given by the Discovery Institute featuring noted scientists / authors, William Dembski and Jay Richards, on Intelligent Design. Some of the best scholars in astronomy, biology, physics, archeology, and mathematics were featured in this conference presenting the most compelling evidences for God's existence.
